ENFORCEMENT

The Oklahoma Highway Safety Office and the OK SAFE Program will host a two-week seatbelt enforcement emphasis beginning February 20 and ending on March 03, 2023, targeting teen drivers and their occupants.

OVERVIEW:

- This enforcement emphasis is designed to be done on a routine regular patrol.
- It only takes about an hour a day, once a week (two hours in two weeks) to make an impact.

We are asking you to assign an officer to patrol around your high school approximately 30 minutes prior to the start of school and 30 minutes immediately following the school day.

All agencies who participate will be entered in a drawing for a prize! Prize details are TBD.

Register by February 18, 2023.

How you can help:

This is the 8th year law enforcement agencies in Oklahoma will participate in the OK SAFE seatbelt enforcement emphasis. In an effort to increase seatbelt compliance, we are asking you to target the area around your high school. Any person not properly restrained should be issued a citation.
