

# SEATBELT ENFORCEMENT

The Oklahoma Highway Safety Office and OK SAFE program will host a two-week seatbelt enforcement emphasis beginning March 25, 2024, and ending April 5, 2024, focusing on teen drivers and their passengers.

Oklahoma law enforcement agencies are invited to participate in the OK SAFE seatbelt enforcement emphasis for the 9th year. To increase seatbelt compliance, we are asking agencies to patrol areas near high schools and any person not properly restrained should be issued a citation. This enforcement campaign is designed to be conducted during a routine, regular patrol. The goal of this enforcement campaign is to teach youth the importance of seatbelt use and safe driving practices.

We are asking you to assign an officer to patrol around your high school approximately 30 minutes prior to the start of school and 30 minutes immediately following the school day.

It only takes about an hour a day once a week (two hours in two weeks) to make an impact. All participating agencies that complete the enforcement period and submit citation results by April 19, 2024, will be entered into a drawing for a **\$500.00 Gift Card**.
